

Linking to your Online Shop

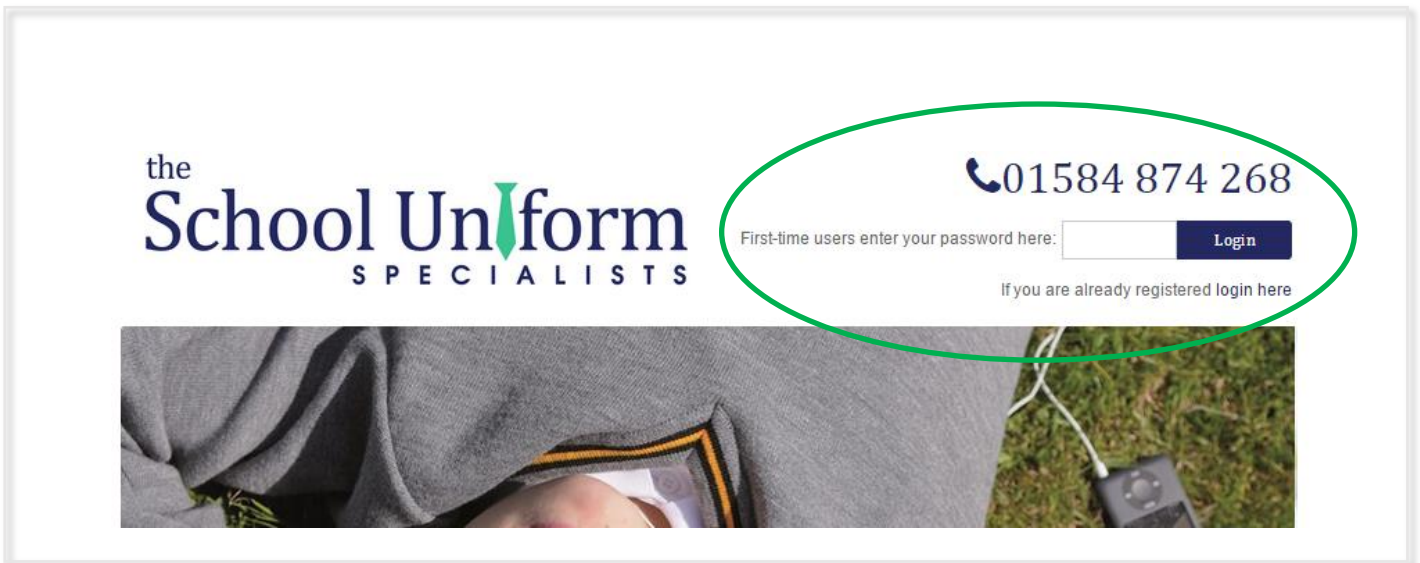

Instructions for Charville Academy

We recommend that you display the school password on your website, then create a link from your website to The School Uniform Specialists homepage:

www.theschooluniformspecialists.com

Password: CVI201

Parents should be advised to make a note of the password, then follow the link to our website where they can enter the password in the box circled in green below:

Once they have entered the password, they will then be asked to register an account, after which they will be able to access the Charville Academy online shop.
